He said preliminary investigation was initiated and the corpse was later released to the deceased's family after autopsy for proper burial according to Islamic rites.

However, further investigation revealed that the deceased's body was transported in a vehicle and dumped at the location where it was found, approximately two kilometres away from her residence.

The statement added that, “this new finding has intensified efforts by detectives to identify and apprehend the perpetrators behind the act.”

The Commissioner of Police, CP Emmanuel Ado, has assured the public of a thorough and professional investigation aimed at uncovering the circumstances surrounding the incident and bringing those responsible to justice.

Meanwhile, the Command called for calm and cooperation from members of the public, urging anyone with useful information related to the case to report to the nearest police station or through the Command’s emergency contacts.

The Command reiterated its commitment to public safety, protection of lives and property, and maintaining peace and order across the state.
