

3 DIE, 4 SURVIVE IN KEBBI FIRE OUTBREAKS

BY KABIR WURMA, Birnin Kebbi

In 2025, three people in Kebbi State lost their lives while four others survived in the 77 fire outbreaks in Birnin Kebbi local government area, according to the Fire Service Command.

Its commandant, ACF Hassan Jega, revealed this to LEADERSHIP during an interview in his office in Birnin Kebbi.

According to him, Birnin Kebbi council had 77 fire outbreaks, while Jega had 24 fire outbreaks.

He added that the three people who lost their lives are from Birnin Kebbi local government area of the state.

The commandant also revealed that the command saved four lives in Birnin Kebbi and another four in Jega local government.

He advised households in the state to always switch off their electrical appliances before going to sleep.

He also warned people in rural areas to avoid keeping or hoarding petrol or gas inside their houses during the harmattan periods.

"Let me use this opportunity to thank the governor of Kebbi State, Nasir Idris Kauran Gwandu for his intervention financially towards the success of our operations in the state,"
