

# Terrorists Kill 6, Injure 3 In Kebbi Mosque Attack

BY KABIR WURMA, Birnin Kebbi

Suspected Lakurawa terrorists have attacked worshippers in a mosque in Dadinkowa village in Maiyama local government area of Kebbi State and killed six persons. They also injured three others.

This came after the terrorists ambushed a GOC's convoy at the same area, but unfortunately,

two of their members were neutralised by the convoy team.

A source in the area who confirmed the incident to our correspondent, said the terrorists attacked the worshippers on Wednesday when they were observing their evening prayers.

According to the source, the attack might be a reprisal following the killing of two members of the terrorists who

ambushed the convoy of the GOC in the same area two days ago.

Spokesman of the Kebbi State Police Command, SP Bashir Usman, who confirmed the incident, noted that the attack was carried out in retaliation for the recent confrontation with army convoy led by the GOC where they lost two of their members to troops.

LEADERSHIP Friday gathered that the deceased who were killed, have since been buried according to Islamic rites.
