## Gunmen Kill 3 In Fresh Plateau Attack

BY ACHOR ABIMAJE, Jos

Gunmen again struck at Nyango Gyel, Jos South local government area of Plateau State around 10:40 pm on Friday, killing three persons.

Our correspondent gathered that the attackers invaded the community, shooting sporadically before fleeing into the darkness.

Community sources and the secretary of the Berom Youth Moulders Association, Rwang Tengwong, confirmed the incident to our correspondent in Jos, describing it as "one too many."

Tengwong strongly condemned the attack, saying it represented yet another senseless assault on innocent citizens going about their normal businesses.

He urged heightened vigilance among residents of rural communities in Jos South, Riyom and Barkin Ladi.

Governor Caleb Mutfwang had earlier vowed that such attacks would not continue unchecked, directing security agencies to fish out those behind the recent bloodshed.
