BY NICHOLAS DEKERA, Gusau

Troops of Sector 2, Operation Fansas Yamma of the Nigerian Army in continuation of ongoing offensive operations against terrorists and bandits, have neutralised many terrorists and recovered weapons and rustled livestock across Sokoto and Katsina states.

 In Sokoto, the troops responded to a distress call regarding an attempt by members of Lakurawa terrorist group to set ablaze a Nigerian Immigration Service facility at Ruwa Wiri Village in Tangaza LGA.

A statement issued by Lt. Col. Olaniyi Osoba, the acting deputy director, army public relations, 8 Division Nigerian Army and Sector 2, Operation Fansas Yamma, said troops made contact with the terrorists and neutralised two of them during the ensuing firefight, while others fled due to superior firepower.

In a separate operation in Katsina State, troops on a fighting patrol in Jibia LGA encountered terrorists moving rustled livestock at Danya Bakwai settlement.
