# 11 killed, eight injured as herders unleash terror on Kaduna community

Eleven villagers have been killed by herders in Kuyelo Ward, Birnin Gwari Local Government Area of Kaduna State.

Eight people suffered various degrees of gunshot wounds and were receiving treatment in different hospitals, *The Nation* learnt.

The incident, according to eyewitnesses, occurred on Thursday around 4pm.

Reliving the people's ordeal in a telephone interview with our correspondent, an eyewitness, who gave his name simply as Buhari, said: "I was in the community when the assailants came. They killed nine people on the spot while two people died on Friday. Eight people were injured and they are in the hospital.

A member of the community, who identified himself simply as Surajo, said: “They came around 4 pm. Apart from killing our people, they also kidnapped one person.

“The hoodlums were many. If I am not mistaken, they were up to 100.

“They rode on motorcycles.

“Security operatives came around 5pm after the hoodlums had left, and started shooting.
