An Inspector of Police, Victor Okus, attached to the 17PMF, has shot and killed his colleague, Inspector Ibrahim Sani, in **Rivers State**.

in a statement, the state Police Public Relations Officer (PPRO), Chief Superintendent of Police Grace Iringe-Koko, confirmed the development, describing it as tragic and distressing

Iringe-Koko said the incident occurred last Sunday, adding that the suspect also injured another colleague identified as Inspector Daniel Dauda.

Describing the dead as a dedicated officer, the statement said the suspect, Okus, who was on special duty at Intels, Onne, had been arrested and was in police custody.

The statement said: “Okus allegedly shot his colleagues, on the head and neck regions. The injured officers were promptly rushed to Nopsam Hospital for treatment, where Inspector Sani succumbed to his injuries, while Inspector Dauda is still receiving medical treatment. The body has been deposited at the Military Hospital Mortuary, Port Harcourt for preservation and autopsy.”

The state Commissioner of Police (CP), Olugbenga A. Adepoju, has ordered an investigation into the incident.

The police boss said the suspect would face an Orderly Room Trial and subsequently charged to court for prosecution.

The CP advised officers that handling of firearms on duty was a serious responsibility and not a routine task, adding that it was crucial to prioritise their safety and that of others to prevent potential tragedies.
