A 45-year-old man has lost his life while rescuing a goat which fell into a well in Mokola, Saki, Saki West Local Government Area, **Oyo State**.

Also, the body of 30-year-old, Shina Adedeji was recovered from another well in Aaje Ikose, Ogbomoso.

In a statement, the Special Adviser to the governor on Fire Reforms/Chairman, state Fire Service, Moroof Akinwande, said the men had died before the arrival of the men of the State Fire Services.

Akinwande said: "On February 3 at 9:45hrs, we were summoned to a rescue by a running caller and CFM Adeleke at Aje Ikose area, Ogbomoso.

“The firemen led by CFM Oladejo left for the scene. On getting there, it was discovered that a man of about 30 years old, named Shina Adedeji fell into a well and was recovered by the officers of the agency.

“Fire officers led by PFS II Kolade Taiwo promptly mobilised and responded to the scene of the incident.

“Upon arrival, it was a man of about 45 years of age trapped inside a deep well. Our officers quickly swung into action and secured with necessary nuts and the operation was carried out and the man was recovered from the well.

“The incident occurred when the man willingly entered the well with the aim of rescuing a goat of which he was trapped.”
