

# Two drivers die in Ogun road crashes

10th November 2025

| By Johnson Idowu

Two separate accidents that occurred on Saturday and Sunday at the Trailer Park in Ijebu-Ode and the Arigbabu area of Sagamu, Ogun State, left two drivers dead and four others injured.

*PUNCH Metro* learnt on Sunday from the spokesperson for the Ogun State Traffic Compliance and Enforcement Agency, Babatunde Akinbiyi, that the Saturday accident happened at about 5:30 p.m. and involved a passenger bus and a truck.

Akinbiyi noted that the accident occurred when the passenger bus lost control due to excessive speeding and rammed into a moving containerised truck.

The impact of the collision, according to Akinbiyi, resulted in the death of the passenger bus driver.

“A fatal RTA occurred at the Trailer Park, Ijebu-Ode, along the Sagamu-Benin Expressway. It involved a white containerised truck with number plate KTU 357 XX and a white bus with number plate DGB 650 XA.

“According to eyewitnesses at the scene of the accident, coupled with evidence on the ground, the bus driver was speeding, lost control, and rammed into the containerised truck from the rear while the truck was navigating the expressway from the Trailer Park, Ijebu-Ode.

“Five people were involved; two people were injured, and one person (the bus driver) died in the accident. TRACE operatives, in collaboration with FRSC officials, conveyed the deceased to the General Hospital mortuary, Ijebu-Ode,” Akinbiyi noted.
