From Scholastica Hir, Makurdi

Gunmen suspected to be herdsmen militia have killed five villagers in Tse Amen community in Mbapa Council Ward, Gwer West Local Government (LG), Benue State.

Our correspondent gathered that the incident occurred at the weekend when armed herders attacked the community at night.

A local from the area, who did not want to be named for fear of victimisation, told newsmen on the telephone that five bodies were recovered after the attack, while many others were still missing.

The local said: “The corpses recovered after the attack included three males and two females.”
