No fewer than five people including a student have been killed, while three others sustained injuries following a night attack by unknown gunmen on hunter's office in Gidan Waya Community in Jema'a Local Government Area of Kaduna State.

This is also as gunmen suspected to be bandits again invaded Avon Community, Kachia Local Government Area of Southern Kaduna, Kaduna State killing two residents and abducted seven others.

The victims of the Gidan Waya were personnel of the Nigerian Forest Security Service (NFSS), Gidan Waya Command. The Command's Intelligence Officer, Mr Gaji Ampot, confirmed the Wednesday night incident to the News Agency of Nigeria (NAN) at the scene.

Ampot said the gunmen stormed the office from two opposite directions at about 8 p.m. and opened fire on the personnel while they were carrying out official duties.

“One of the gunmen arrived on a motorcycle from one direction, while others approached on foot from the opposite side and began shooting. “All but one of the victims were our men.

The fifth person killed was a student who was in our office to resolve an issue,” he said. He added that the injured victims had been taken to a hospital for treatment.
