Suspected terrorists attacked three Kwara communities in coordinated raids, killing one person and abducting about 20 residents.

Affected communities include Gaa-Alla and Gaa Oke Abba in Isin Local Government Area and Famole town in Ifelodun Local Government Area of the state.

The bandits invaded the affected communities, killing one person and abducting 20 persons and the attacks were carried out simultaneously in a coordinated manner in the affected communities on Thursday around 10:00pm.

Commissioner of Police in the state Police Command, Mr. Adekimi Ojo, who confirmed the development, however said that, "I can only confirm that in

Gaa-Alla community that two people were abducted and that the police, in conjunction with the military and Forest guards, are on the trail of the assailants".

Sources in the communities also said that the suspected terrorists kidnapped scores of residents and killed one person during a gun battle in Famole community.
