New Year Tragedy: 2 brothers killed by speeding vehicle

By Jeff Agbodo

A BAKALIKI—TWO brothers have been reportedly killed by a speeding vehicle at Obegu-Aba, Ozibo, in the Ebonyi Local Government Area of Ebonyi State.

The victims rode on a motorcycle when a Toyota Corolla vehicle with state government registration number -Ebonyi 241-EBGH on a high speed, crushed them to death.

An eyewitness account said the incident occurred at 7:30am.

According to the source, both deceased bodies had either a leg or a hand severed while their

motorcycle was damaged beyond repair.

The driver of the Corolla vehicle was said to have abandoned the car and ran away when the incident occurred.

The tragedy threw residents of the area into mourning amid New Year celebration.

A police team from the state command on patrol was said to have arrived at the scene minutes after the incident and evacuated the bodies of the deceased.

The policemen were said to have towed the Corolla car to the station for further investigation and possible arrest of the driver of the vehicle.
