Umuahia – THE bitter rivalry between Governor Theodore Orji of Abia State and PDP on one side and his former political mentor and ex-governor of the state, Chief Orji Kalu and his party, Progressive Peoples Alliance, PPA, on the other, came to a head Tuesday as a clash between their supporters at Ohafia left at least two persons dead.

Many others were said to have sustained serious injuries and are being treated in hospitals in the area. Though Abia State Police Command headquarters in Umuahia said it had got report of the incident, the DPO at Ohafia did not confirm or deny the incident.

He only said he would not give information to somebody he didn't know when contacted on phone. The incident occurred when the governor went to Ohafia to canvass for votes.

According to eyewitness, hardly had the rally ended than the party supporters who had converged on the venue, accosted one of the officials of government for settlement.

“The security men may have misconstrued the surge as violence against the governor and opened fire on the people killing one man on the spot, while several others were injured,” the eyewitness said.

The man, who died on the spot, was identified as a resident of Amaekpu in Ohafia local government area and had gone there to support the governor.

Abians should not allow those criminals to use them because we have suffered a lot from their hands. The Orjis have piloted the affairs of Abia State for 12 years and yet we have nothing to be proud of in the State apart from, Kidnapping, Bank robbery, Unemployment, Deteriorated Education system, Corruption, Money laundering and lots more you can name them. So we got to be wise and not to be used. Vote out the messengers of evil as soon as they are been identified but remember to VOTE IN President JONATHAN so that we can achieve the changes strongly needed.

Orji Uzor Kalu should leave T A Orji alone. Now the poor masses have borne the brunt of his indiscretion with TA, and he is there at his Igbera mansion enjoying his comfort. Let me remind him that the preacher said; 'everything has its time on earth', you have spent your time as the Governor of Abia State for 8 years without hitches, now God has raised someone in your midst to succeed you and you are kicking against God's wish, you want to perpetually enslave Abians through your influence on their Leaders. Know one truth 'by His strength that no one can prevail'. Lay your armoury for this is God's battle and He will forever stand on the way of anyone who ever oppose and know it how can you succeed. Abia is God's own state called upon God's own name and God people in supplication has called for His intervention. Orji Uzor Kalu see that you not oppose/God!!!

More trouble and instant death await those who refused to find legitimate means of livelihood other than mortgaging the future of Abia to people whose business in our government is to squander our resources for their insatiable pocket

Governor Orji has bitten the fingers that fed him. He has murdered sleep.....and may not sleep any more. Aba may be anything in the past, but not all these killings and hatred.
