[SHARE](#) A car in the convoy of the campaign train of the **Ogun** State governorship candidate of **Labour Party** (LP), Jide Awosede, yesterday, ran over and killed three motorcyclists on their way to Ikenne for a political rally. The victims, said to be members of the Amalgamated Commercial Motorcycle Operators of Nigerian, were hit at Ayepe Junction of the expressway. The development infuriated the victims' colleagues in the town and environs, and resulted in their mobilising for a violent protest, which led to the burning of one of the vehicles conveying musical instruments of the campaign train to the rally venue.

Efforts to reach Mr Awosede, or any of his aides, were unsuccessful as at the time of this report.
