Three people were yesterday crushed to death along Oloru-Bode Sa'adu –Jebba road, Kwara State, when a trailer and a fuel truck collided with each other.

According to witness the accident occurred as a result of a stationary trailer which packed carelessly on the roadside.

The victims were said to have died at the scene of the accident that occurred about 1.00am yesterday.

The drivers of the vehicles were said to have lost control while trying to avoid hitting the packed trailer when they rammed into each other.

The Zonal Commander of the Federal Road Safety Commission, Zone RS8 (FRSC), Mr. Austin Aipoh confirmed the story to newsmen in Ilorin, the Kwara State capital yesterday.

He said over 60 commercial and private vehicles for breaching traffic rules and regulation had been arrested.

He warned drivers particularly those that plying the road at night to avoid over speeding and ensure that their headlights are in good condition always.
