The students who are residing off campus were said to have been abducted by unknown gunmen, raped and dumped in the bush, late Monday night.

The peaceful protest is said to have stalled academic activities in the institution

DAILY POST gathered from a source that a male student residing in the area was shot, and was left injured.

The source also said the act by the unknown gunmen is becoming a recurring iss

“This is becoming a worrying issue, because more than 90% of the students of th institution reside off campus, because of lack of enough hostel accommodation
