

# Motorcyclist crushed to death

**A** motorcyclist was Wednesday crushed to death along Kaduna express road.

The motorcyclist was trying to link up the express road when the car crushed him and his motorcycle.

Wednesday's crushing of a motorcyclist along the express road that leads to the Suleja Township was the third in a month.

'The express road has become a death trap for careless motorcyclists,' a resident said.

The driver of the car was

said to have drove off knowing fully well that the victim could not survive the accident.

An onlooker and a motorcyclist also said the driver did not stop to help the victim and that he was on high speed.

Blood was said to be rushing from the victim's head and later died on the road before being conveyed to the hospital.

The name and identity of the accident victim could not be confirmed.
