

Trader murdered in Kano

A petty trader and
foreigner (Buzu) was
murdered last
Sunday in Kano.

He was murdered at Matan
Fada way, Magoun in Kano
state.

Nothing was said to have
been stolen from him, but
residents woke up to see him
in the pool of his blood.

They said he might have
been killed in the early hours
of Sunday.

His corpse was abandoned
in an uncompleted building

where he lived.

The body was buried five
hours after the body was
discovered.

The attention of the police
has since been drawn.

As at the time of filing this
report, his neighbours could
not ascertain who the
murderers were and why he
was murdered.
