

# Fire kills two brothers in Abuja

**T**wo brothers were on Wednesday killed when fire engulfed a building at the Abacha Housing Estate, Wuse Zone 4, Abuja.

One of the deceased, a student of the Igbinidon University, Benin was identified as Yinka Johnson (26) and the other, his brother called Ademijuwon Ojo (24).

An eyewitness, Tobi Emeke, told the News Agency

of Nigeria (NAN) that the fire broke out at about 1.25 pm from the upper floor of the duplex.

Emeke said he was asleep with one of his colleagues on the ground floor, when the security man kept shouting 'fire' continuously.

He said neighbours tried to go up-stairs to where the fire seemed to have started but could not because the staircase was already en-

gulfed by fire.

"We ran to the back of the building and started calling the two brothers, who were upstairs but there was no response from them.

"We had to call the fire fighters and they came with two of their vehicles to put out the fire," he said.

Emeke said the fire must have been caused by a spark from one of the air conditioners.
