WRITTEN BY MISBAHU BASHIR

A petrol tanker and 17 other vehicles yesterday crashed along the Abuja-Keffi expressway. The Sector Commander of the Federal Road Safety Commission in the Federal Capital Territory, Nseobong Akpabio, said the accident occurred in Nyanya village, a few kilometres away from the city centre.

**H**e said the braking system of the petrol tanker that was conveying petrol to Keffi failed and in the process, hit a bus. The bus and 16 other vehicles crashed into the back of each other.

He said no death was recorded in the accident but four passengers were severely injured. He said the FRSC rescue officials under the new Emergency Ambulance Service Scheme took the injured to the General Hospital, Nyanya.

But an eye witness said three people died in the accident.
