

# Boy dies in a well

SOME residents of Iruekpen community in Esan West Local Government Area of Edo State yesterday discovered the floating body of a teenage boy in a well in an uncompleted building.

The body, identified as that of Happy Omokhoa, was already decomposing when the owner of the

building, who was on a visit to the property discovered it.

The remains of Omokhoa were later moved by a combined team of the police and concerned individuals. At the time of filing this report, the mystery surrounding the death of Omokhoa, believed to be aged about 17 years, was

yet to be unravelled.

The Divisional Police Officer (DPO) in charge of Ekpoma, Mr Joseph Okpoloa, told newsmen that the corpse had been deposited at the Irrua Specialist Teaching Hospital for an autopsy. He added that the police had commenced investigation into the matter. (NAN)
