From Yusha'u A Ibrahim, Dutse

ELEVEN persons died yesterday while several others were injured when a truck ran into a commercial bus and three other vehicles along the Kano-Wudil Highway.

Our correspondent gathered that the dead were passengers of the commercial bus.

The accident occurred around 5:30pm yesterday. It was gathered that while the truck was coming from Kano, the commercial bus was heading for the opposite direction, from Wudil Local Government Area of the state.

A combined team of policemen and personnel of the Federal Road Safety Commission (FRSC) tried to clear the road to enable other motorists pass.

Bodies of the victims were taken to hospital for safe keeping, while the injured are receiving treatment in both Kano and Wudil General Hospitals.
