Commercial motorcyclist stabbed to death in Bida

Monday, 20 December 2010 01:00 Ayegba Israel Ebijie, Minna

[Share](#) A 29-years-old commercial motorcyclist has been stabbed to death by two unidentified persons in Bida Local Government Area of Niger State.

Our correspondent reports that his motorcycle and the money on him were also taken away. Daily Trust gathered that the deceased who has been identified as Baba Audi, took two passengers on his motorcycle on Saturday evening to a village in Badegi area of the local government and never returned. A witness, Danjuma, said he saw Baba at Badeggi in a pool of his own blood, screaming and holding tight to his stomach, where he was stabbed. He said Baba had already lost a lot of blood at the time he was found.

"We had to rush him to the police station first to get police clearance before going to the hospital, and it was while we were at the police station that he died. The hospital would have been the first place to take him to, but since we did not know him or anyone related to him, we could be implicated", he said.

May his soul rest in perfect peace. Let the Police and SS hunt for these people, and bring them to board.
