ONE person died while three others sustained serious injuries on Tuesday evening in a fatal motor accident that occurred at Piri village, along the Abuja-Lokoja road.

An eyewitness said the accident happened when a Volkswagen Golf car with registration FE 638 ABJ overtook another vehicle at a sharp bend and crashed into a Daf truck with registration number XC 120 FKJ, killing one person inside the car.

"The Golf car driver and two female passengers sustained various degrees of injuries and were evacuated to a hospital by officials of the Federal Road Safety Commission (FRSC).

Reacting to the incident, Yangoji FRSC unit Commander, Abdullahi Umar, said five persons were involved in the crash and the injured ones are being treated at Kwali General Hospital.

He attributed the accident to wrongful overtaking, saying the corpse is at the University of Abuja Teaching Hospital's morgue in Gwagwalada.
