A middle-aged man, Malam Sani, was on Saturday evening allegedly crushed to death by a motorist along Mabushi expressway in Abuja.

A witness, Eze Ndukwe, said Mallam Sani was trying to cross the road with two other persons at 5 pm, when the car hit him and rammed into a cab carrying two women as well as a pickup van, leaving the occupants with serious injuries.

Another eyewitness, Bello Sagir of Directorate of Road Traffic Services, said the Honda driver was on top speed. He said the corpse of the victim was taken along with the injured victims to Zankli hospital.

The driver of the Honda car informed our reporter that his vehicle lost control, adding that he tried his best to control the car but it veered into another lane.

"The worst part of the whole thing is that the car belongs to my friend," the driver sobbed.

A doctor at Zankli Hospital said they were trying their best to save the victims' lives as they had sustained serious injuries.

When contacted, FCT Police Spokesman, Superintendent Moshood Jimoh, said policemen were drafted to the accident scene.
