AN unidentified woman was on Tuesday night crushed to death by a motorist at Sheda village, along Kwali-Lokoja road.

A witness said the accident occurred when a Toyota Camry car with registration number CG 913 RBC hit a commercial motorcycle, killing the woman, who was a passenger on the bike.

"The woman died on the spot, while the cyclist sustained serious injuries and they were both evacuated to the hospital by officials of the Federal Road Safety Commission (FRSC)," the witness said.

Commenting on the incident, Yangoji FRSC unit Commander, Abdullahi Umar, attributed the accident to dangerous driving by the motorist.

He said the corpse is at University of Abuja Teaching Hospital's morgue, while the injured is admitted in the same hospital.

In another accident, two motorcycle passengers were seriously injured yesterday when two bikes rammed into each other at Gwagwalada.

A witness said one of the cyclists, which was on top speed from FRCN-Old Kutunku junction rammed into another bike coming from Kasuwan-Dare.

Our reporter observed sympathisers removing the victims from the road to nearby chemist shops for first aid treatment.

When contacted, Gwagwalada FRSC unit Commander, Ahmed Abubakar, denied knowledge of the incident.
