Fatima Sani Lugard, a daughter of the senior counselor in the Katsina Emirate council, Dr Sani Abubakar Lugga (Wazirin Katsina) and three others died in an auto accident along the Katsina-Daura road. Five others were injured in the accident which occurred in Doka village of Mashi Local Government Area. It involved two private vehicles; one carrying the family members of the Wazirin and the other conveying a couple.

It was gathered that his two daughters were travelling to Katsina from Sandamu with a niece's husband and other family members when their vehicle collided with the other one.

One of those who helped in the rescue operation, Abdul'Aziz Aliyu Mashi, said the two vehicles collided as a result of overtaking at a sharp bend.

He said three people including the drivers of the two vehicles and the late Fatima died on the spot while the other victims, most of whom sustained fractures, were rushed to the Federal Medical Centre, Katsina.

Meanwhile, the girl's burial took place yesterday at the Waziri's house after a funeral prayer led by the chief imam of Katsina Central Mosque, Imam Mohammad Lawal.

It was attended by most traditional, community and religious leaders across the state. The Waziri's brother, Alhaji Sai'du Abubakar Lugga, received condolences on behalf of the family as the Wazirin was expected back from Saudi Arabia where he travelled for the lesser hajj.
