The house of one Abdul Yusuf Limanchi in Bauchi yesterday collapsed and killed two persons. Speaking with newsmen in Bauchi, Yusuf, the owner of the building situated at Development Area 3,4 at the back of the Bauchi airport, said three persons were also injured in the incident.

"Shortly after the house was roofed, thieves came and removed the roofs. After that, a heavy wind destroyed the building, and I repaired it. And now, the building has collapsed," he lamented.

Yusuf said the building fell on his seven year old daughter, Fatima and an eleven year old boy who attempted to rescue her. He added that his wife broke her leg while two others suffered various degrees of injuries. He said he would take the accident as the will of Allah.
