A suspected **armed robber** was yesterday **killed** by the police in **Katsina** after an eight man gang raided four houses including that of the state deputy governor, **Barrister Abdullahi Garba Faskari's mother** in Funtua Local Government area of the state.

Spokesman of the state police command, ASP Abubakar Ibrahim, said the suspected **robber** was shot dead following a gun battle between the police and the robbers. He said the police arrested two of the robbers while five escaped, adding that investigation had shown that the robbers who might have come from Niger State, connived with their colleagues from Funtua to carry out the **attack**. It was yet unclear whether the deputy governor's **mother** suffered injury as a result of the **attack** or whether her property was stolen.
