The incident happened at about 3 pm at Igboye street, Oke-Ese, area of the town while another building was also said to have collapsed at Imogun-Omofe area of the town, same day.

The ugly incidence happened following a heavy downpour that later resulted into flooding in which many people were rendered homeless.

Daily Trust learnt that the two brothers, Festus and Gideon, their younger sister, Fortune Adeoye and their parents Mr. and Mrs. Adeoye were returning from church when the building in front of which they were passing suddenly collapsed and fell on the children.

They died immediately while their younger sister was rushed to the Obafemi Awolowo Teaching Hospital Complex Annex at Wesley Guild Hospital, Ilesa.
