**From Toryila Kajo, Makurdi**

**AN auto crash involving a DAF truck and a Toyota car along Otukpo road in Makurdi yesterday killed one person and left three others injured. A witness, who gave her name as Theresa Yough told our correspondent that the Toyota car was coming from the Abu -King Shuluwa road to the high way when it collided with a truck loaded with donkeys coming from the opposite direction. Yough said six donkeys from the truck died on the spot while the driver of the truck took to his heels. When contacted, the Police Public Relations Officer, ASP Alaribe Ejike confirmed the incident, saying preliminary investigations have revealed that the Toyota car driver was at fault. He therefore called on the truck's driver to come out of hiding, and assist the police with useful information on the accident.**
