A family of six travelling in a Toyota Corolla car perished when the driver attempted to overtake a trailer along the Dutse-Kiyawa road in Jigawa yesterday. This was disclosed to newsmen by the Jigawa State Sector Commander of the Federal Road Safety Corps, Hussen Adamu Muhammed. Muhammed said: "The car, coming from Maiduguri, had head-on collision with a trailer with registration number, XA 674 MAR when it attempted to overtake a trailer, not knowing that another trailer was coming. The Toyota car busted into flames and burnt the six occupants to ashes. The accident occurred around 5am. We are calling on those who know the registration number of this corolla to inform the family."
