

3 perish in school well

From Sunday Isuwa, Kaduna

THREE people have died in a well located in Government Secondary School, Takau in Kafanchan, Jama'a Local Government Area of Kaduna State while trying to connect a pipe

from the well to a house water tap. The deceased identified as Yacham James, Dodo Bitrus and Didam Simon, reportedly died after they started the generator to enable them pump water into the house.

A witness, Deaconess Rakiya

Simon told *Daily Trust* yesterday that the men died shortly after they put on the generator in order to pump water.

Kaduna Police Spokesman Aminu Lawan confirmed the incident.
