Two police inspectors were yesterday shot dead by armed robbers, who raided a depot in Kubwa, FCT. A witness said both officers, Okwudiri Moses and Ayele Igube were on guard duties at Guinness Depot near NYSC Orientation Camp, when the robbers stormed the area in a Honda car and disarmed the police officers before firing gunshots at them.

He said the robbers gained entrance into the place and stole millions of naira, after leaving a staff seriously wounded. A medical officer at Kubwa General Hospital said the officers were confirmed dead, while the injured staff was referred to another hospital.

When contacted, Kubwa's Divisional Police Officer, Deputy Superintendent Berge Bosso, declined to comment on the issue.
