A businessman, Mr Iorver Aker of Ihugh town in Vandeikya Local Government Area of Benue State, has allegedly killed his seven-month-old daughter during a fight with his wife for challenging him over money he gave for the day's meal.

A witness said on that fateful Monday, Aker gave his wife, Dooshima N1,000 to prepare soup for the family but the wife complained that the money was not enough for the soup and appealed to the husband to add.

At this point, disagreement ensued between the two and in the course of attempting to beat the wife, Aker allegedly hit the daughter with a stick resulting in the death of the child.

Police have arrested the suspect and taken him to the State Criminal Investigation Department of the Benue State Police Command.
