Two persons have been killed and several others injured by unknown gun men in Kutaru village near Zwall in Tafawa Balewa local government area of Bauchi State on Friday. Briefing newsmen over the incident, the Secretary to the Sayawa Elders Council, Barrister Bukata Zhadi said the attackers, well armed, invaded the village late night around one o'clock and killed two persons and injured many who were admitted in hospital in Plateau State.

Zhadi appealed to the federal government and relevant authorities to protect the people from unnecessary attacks by gunmen in the area.

Police Public Relations Officers ASP Hassan Mohammed Auyo did not confirm the story but directed our reporter to contact the state Commissioner of Police Mohammed Ladan.

All efforts to speak to the Commissioner of Police failed because he did not pick the repeated calls to his line and he was not in the office up at the time of writing this report.
