

Accident kills 2, injures others in Kaduna

From Isa Sa'idu, Kaduna

TWO people died yesterday when a commercial car veered off the Zaria-Kaduna express road at the Dumbi village axis of the road, hitting a motorcyclist and his passenger.

The accident that occurred

at about 10am left four women seriously injured. A two-year-old boy survived the accident with minor injuries while one of the women was badly injured on the face.

"Two people died while some other persons sustained injuries. The worst of them is a young

lady whose face was disfigured. Actually, what happened was that the driver of the gulf car lost control, and as a result veered off the road and hit a motorcyclist and one other person, who were by the road side," a witness, Dan'asabe Musa said.

The Federal Road Safety

Corps Unit of Birnin Yero, Kaduna, evacuated the injured persons to the Ahmadu Bello University Teaching Hospital (ABUTH), Shika, Zaria, but all attempts to get the Unit commandant to speak was in vain, as he did not pick calls made to him.
