One person lost his life while two others were injured yesterday morning in a ghastly motor accident that occurred at Dei-Dei, along the Abuja-Zuba expressway.

A witness said the accident, which occurred around 8am, involved a commercial bus with seven passengers on board and a pick-up van.

He said the driver of the pick-up van drove against traffic and collided with the commercial bus, which was on the right lane on the expressway.

The witness said the driver of the bus died on the spot, while two other passengers sustained varying degrees of injuries, adding that the two occupants of the pick-up van came out unhurt.

He said both the remains of the driver and the injured passengers were taken to the Kubwa General Hospital by officials of the Federal Road Safety Commission (FRSC), who arrived at the scene some minutes later.

When contacted, the FRSC Kubwa Unit Commander, Ibrahim Bello, confirmed the accident, blaming the accident on the pick-up driver, who drove against traffic.

At the Kubwa General Hospital, its head of Accident and Emergency unit, Paul Olise, confirmed receiving a corpse and two injured persons from the accident.

He said the corpse had already been deposited at the hospital's morgue while the other victims are receiving treatment.
