A mutilated body of a 16 year old girl was found in an uncompleted building near Minna new Market.

The girl was suspected to have been killed by yet to be identified persons probably for ritual purpose.

The girl was identified as Amina Abdulkadir and her corpse was said to have been discovered Sunday at about 11: am by a passerby in Minna, the capital of Niger State.

A witness told Daily Trust that some parts of the girl's dead body were mutilated by her killers.

Police Public Relations Officer (PPRO), Niger state command ASP Richard Oguche confirmed the incident. "The police are aware of the case which is that of violent killing. There is no part of the body that was tempered with."

He said police had began investigation to find those responsible for the killin, adding that the remains of the decease had since been handed over to deceased relation for burial.

He said the uncle of the girl, one Abdulkadir identified the dead body of late Amina.
