A primary school pupil was yesterday crushed to death by a trailer in Oba Akoko, Akoko South-west LGA of Ondo State.

14 year-old Gabriel, pupil of New Era School, had crossed the road to buy sugar for breakfast tea before leaving for church but the trailer which was carrying tomatoes to Abuja ran over him, killing him on the spot. "Only his legs were seen as the trailer crushed him beyond recognition", a witness said. The vehicle was parked at the police station in Oba Akoko while the driver is with the police.
