# 'Chinese man killed in Plateau, not Kaduna'

From Misbahu Bashir, Kaduna

The Kaduna State government yesterday said the Chinese man reported to have been killed last week was actually attacked in neighbouring Plateau.

The man was reported to

have been killed in Kaura LGA of Kaduna State, on the border with Plateau.

But government spokesman Ahmed Maiyaki said the place where the incident happened was in Riyom LGA of Plateau.

"We wish to clarify that no

Chinese expatriate was killed in any community in Kaduna State," he said. "Our findings revealed that some Chinese expatriates were attacked in Riyom Local Government Area of Plateau State and not Kaura Local Government of Kaduna State."
