Two men, Bilalu, 20 and Danyaro 28, were burnt to death in a fire incident in a building along Sultan Atiku Road in Sokoto yesterday.

The cause of the fire incident was not known but some alleged that it came after power was restored to the building. The fire completely razed the building which also had shops.

Sokoto State governor, Aliyu Magatakarda Wamakko yesterday visited families of the deceased as well as owner of the property, Alhaji Abubakar Aliyu and the shop owner, Alhaji Aminu Millionaire Gobirawa, who lost his belongings to the inferno. The governor expressed shock over the incident and prayed for the repose of the soul of the deceased. He also prayed against re-occurrence of such incidents. The governor also visited other bereaved persons within the metropolis and some people with health challenges.
