Two people died while another was in critical condition after taking a herbal concoction in Ilorin, Kwara State yesterday.

Yunus, Abdulganiyu and Bami had taken the liquid substance Monday night at a popular joint in the Adeta Area of the state capital.

While Yunus, who was said to have complained of running stomach around 8pm after taking the herb died Monday night, Abdulganiyu reportedly breathed his last yesterday morning after experiencing acute stomach pain.

The other victim, Bami, who is said to be a driver in the State Universal Basic Education Board (SUBEB) is now undergoing treatment at an undisclosed hospital.

Daily Trust gathered that the victims demanded for the herbal concoction as they usually did from one Mr. Azeez but the man was not around while his son served them the substance. Things however turned awry after taking the concoction, a resident of Adeta told our correspondent.
