Police in Sokoto said they are investigating the killing last week of 21-year old Bilyaminu Yabo, the son of elder statesman, Alhaji Yusuf Abubakar Yabo, the Baraden Yabo, by people suspected to be political thugs.

Police spokesman DSP Almustapha Sani said the incident was reported at the Gwiwa police station and though no arrest has yet been made, they are stepping up the investigation.

Bilyaminu Yabo was said to have been beaten to death by suspected thugs at about midnight on Thursday October 23 at the Gawon Nama area of Sokoto for reasons yet known.
