Yelwa community in Shendam Local Government Area of Plateau State yesterday lamented incessant killings by suspected gunmen who attack the area on market days.

Chairman of Yelwa Community Association, Alhaji Yakubu Haruna Dangawan yesterday told journalists in Jos that two persons were shot dead on Wednesday in Ginarumbu village along Yelwa- Ibibi road, just as seven others were killed at the same Ginarumbu recently.

Dangawan gave the names of the residents killed on Wednesday as Sani Ibrahim and Abubakar Abdullahi, adding that the victims were leaving the Wednesday market in Yamini village when they were attacked.

"Five residents of Yelwa were on Wednesday attacked by Tarok gunmen on their way from Yamini market to Yelwa. Two of them were killed while three others were injured and are presently receiving treatment in a Bauchi hospital," he said.

The chairman called on security agents to mount check points around Ginarumbu, Kanhawa and Gidan Uku in Shendam, to check the attacks.
