Police in Katsina State have confirmed the killing of an armed robbery suspect in a shoot-out along Malumfashi-Dayi-Gwarzo road.

Daily Trust gathered that some armed robbers laid siege on the road, attacking unsuspecting commuters before intervention of the police.

The command's spokesman, Aminu Sadiq, said the police patrol team engaged in a shootout with the robbers who were dressed in Army camouflage uniform and that one person was killed in the exercise while others escaped. He said a locally manufactured gun with 30 cartridges, knives, phones, and cash were recovered from the scene.

He called on residents of the state to always assist the police with useful information.
