A suicide bomber yesterday blew himself up in Potiskum, Yobe State.

Daily Trust gathered that bomber ran into an uncompleted building and detonated the bomb at the Tsohuwar Kasuwa area.

A witness, Abubakar Salisu, said the incident took place around 5:00pm when the bomber alighted from a tricycle and approached a group of people at a local Qur'anic competition but was stopped by volunteer guards.

"Many people became suspicious of him as he started advancing. We shouted at him to leave the area, and he ran into an uncompleted building where the bomb exploded", he said.

A source at the Potiskum General Hospital said the mutilated body parts of the bomber was brought in a sack and deposited at the morgue.
