

## Nigeria: College of Agric Worker Crushed to Death

By Maryam Ahmadu-Suka

Kaduna — A senior technical officer of the College of Agriculture and Animal Science, Kaduna, Malam Abdu Isa, was crushed to death early yesterday in Kaduna. Isa who had just alighted from a commercial bus, was run down by a private car in front of the school premises after the car lost control, killing him on the spot.

A witness said: "The man is a lecture in the school, he lived in Zaria and he was just coming from home when he met his death. He was exchanging pleasantries with the guards at the gate and some other people when the car came out of nowhere and ran into two of them. The lecturer died on the spot while the other person and the driver of the car survived and have been rushed to the hospital".
