Man shot dead, 2 injured in Kaduna

From Maryam Ahmadu-Suka,
Kaduna

A man was shot dead yesterday while two others were injured by people said to be in uniform in Zango, Tudun Wada area of Kaduna, Daily Trust gathered.

Umar Haruna, an electronics dealer, was shot in the chest by people in a Hilux vehicle around 5pm and died.

Details were sketchy at press time, but a witness said the Hilux was passing the area and the occupants met Umar and the two others along Zango road, asking if there was a road to pass. They told them there was no road, but one of the occupants demanded to know why they should say there was no road.

"One of them said the person who said there was no road must follow them, but the others objected and they started shooting. Umar was shot in the chest and died on the spot while the two others were injured and taken to hospital", the witness said.
